

# Cambridgeshire & Peterborough

## Local Maternity System

## Cambridgeshire and Peterborough **Better Births**

# Update – March 2018

# Background

- Better Births launched nationally in 2016
- The focus is on improving maternity safety and choice
- MVPs implemented 2017 – 3 for our system
- Local Maternity System Steering Group established March 2017 now meeting monthly – MVPs represented here
- Better Births plan October 2017

# What have we achieved to date:

- Established strategy and plan
- Work streams developed
- Reporting templates in place
- Co-production and links to MVPs and service users developing
- Launched Better Births website and social media
